**Jerry Cooper gave the Financial Report, which was approved as presented. It was estimated that after all reunion expenses were paid, there would be around \$1,900 left in our checking account.**

**An evaluation of reunion was opened for discussion with positive results. It was recommended that we have a larger Hospitality Room at future reunions.**

**A conference call was placed to Fred Spaulding and his wife Myke who had unable to attend because of injuries from a fall when they were enroute to attend the reunion. **Future Locations – After a discussion and recommendation by Fred Spaulding, Myrtle Beach was selected for 2022 FALL Reunion location. **It should be noted that it was discussed and agreed that we hold a Spring Reunion and a Fall Reunion for future reunions because of our ages are catching up with us.**

**San Antonio, Texas was recommended and approved for the SPRING 2023 Reunion site. Sam Rock will explore potential lodging sites closer to downtown and major tourist sites such as the Alamo and River Walk.**

**Fort Benning, Georgia was chosen as an optional site if San Antonio was not feasible. Other options were deliberated on about regional reunions or having alternated east coast/ west coast reunions beyond that with Laughlin being a good west coast option.**

**With no further business, meeting was adjourned.**
